Terry Sanchez-Clark, Www Ibmcookbook Com) Ibmcookbook Com : Lotus Domino Programming Interview Questions, Answers, and Explanations: Lotus Domino Certification Review before purchasing it in order to gage whether or not it would be worth my time, and all praised Lotus Domino Programming Interview Questions, Answers, and Explanations: Lotus Domino Certification Review:

0 of 0 people found the following review helpful. USELESS for a developer!By Allyson SwelamThis is a useless reference for developer interviews. Don't waste your money! I was expecting questions relating to design elements (i.e. forms, views, agents, etc.). Most all questions are administrative and even those questions require lengthy answers and are less likely to be interview questions in my opinion.
