Frank Prokop : Lure Encyclopedia before purchasing it in order to gage whether or not it would be worth my time, and all praised Lure Encyclopedia:

2 of 2 people found the following review helpful. Fishing Lure Q A All in one bookBy 92 FJ-1200This is hard to get info all compiled in one book. There was a lot of work put in to this book. Very informative,great photos.0 of 0 people found the following review helpful. It was a good, quick transaction tooBy Cyndi's ShoppingGift for the hubby! He seems thrilled with this item. It was a good, quick transaction too. Item was just as described.0 of 1 people found the following review helpful. One StarBy Customerbook was not as described...too much technical data, not any application data.

Representing the culmination of the career of a leading authority on lures, this is a book on fishing lures and how to use them. It includes the deepest lures available, the major manufactures, tips, hints and techniques to help you catch your fishes on lures.

About the Author Frank Prokop started his fishing career before he was five, being taken fishing with his brothers by his father. His fascination for fishing and love of freshwater fishing developed on American waters and has continued to this day, as have fishing trips with his dad and now his own kids, since his move to Australia.
