Johanna Rothman : Manage Your Job Search before purchasing it in order to gage whether or not it would be worth my time, and all praised Manage Your Job Search:

Are you a technical person, such as a software developer, tester, writer, or project manager? You know that a job search is tough. You have to network, online and in person. You have to customize your resume for each job, so you

can showcase your talent. You have to look for a culture that fits you. How do you start? Treat your job hunt like the project it is. Use agile and lean project management approaches that allow you to create a visual system. You'll increase your productivity, track your progress, evaluate your work, gain feedback, and throw out what doesn't work while building on your successes. Learn from your past career to optimize for your next step. Full of tips, stories, and humor, you'll apply practical techniques to take control of the most important project you'll ever work on: find your next best job.
