Susan C Curzon : Managing the Interview (How-To-Do-It Manuals (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Managing the Interview (How-To-Do-It Manuals (Paperback)):

In the recruiting/hiring process, the interview is the most mysterious component. This author offers answers to the difficult questions (What information do you need to evaluate a candidate for a position?, How should the interview be conducted?), and also provides checklists and reminders.

From Scientific AmericanThis book leads librarians through the steps in interviewing, from selection to appointment

or rejection...the practical approach is sound. ...should be on the desk of every manager involved in the hiring process. -- Library Journal
