The Real Deal By S Leeds If YOU want to know what the music management business is all about then this is your read. It's an ideal introduction for a newbie entering the music business. Dr Marcone is an experienced musician who became an academic at Syracuse University and now resides in New Jersey where he shares his wisdom with the students at William Paterson University in NJ. Touring, label relations, record contracts, budgets, sponsorships and legal---this book covers all the key areas of concern. Aside from it being a practical guide; it would serve well for those academic types seeking a current based text that could be used in a classroom. In a fluid, ever changing business; this book is about as current as you can get! Make sure you purchase the

latest edition #5.

(Book). One of the most comprehensive books available covering entrepreneurship, branding, social networking, publicity, touring, contracts, marketing, trademarks, merchandising and record companies. This latest edition includes the intricacies of 360 deals and new business models for succeeding in the virtual world, and new contracts for personal management and artists releasing their own digital product. Also features an expanded chapter on business management, new artist-manager court cases, and updated industry website listings.
