**Zulma Iguina, Eleanor Dozier : Manual de gramtica: En espanol (World Languages)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Manual de gramtica: En espanol (World Languages):

0 of 0 people found the following review helpful. Does not include the access code and does not explicitly ...By JackDoes not include the access code and does not explicitly say that. Given the Used and Rental Options where it says explicitly that "Access codes and supplements are not guaranteed with used items." It would lead you to believe that the access code is included with the New option.6 of 7 people found the following review helpful. No Access CodeBy JosieWhile the book itself is a great resource for students of Spanish, there is the huge problem that it did not come with the promised access code. I wasn't sure whether or not the book would come with the access code, so I called an textbook rep to help me out. He told me that if I purchased a new book it would definitely come with an access code, and it did not. I am returning this book as soon as possible-- this is ridiculous.0 of 2 people found the following review helpful. Five StarsBy Prestonarrived in great condition no complaints

With its flexibility, simplicity, and range, *MANUAL DE GRAMÁTICA EN ESPAÑOL*, Second Edition, is an accessible grammar reference for students of Spanish. It combines clear, easy-to-use charts with detailed grammar explanations in Spanish supported by plentiful examples and real-world applications. By choosing the online format through the iLrn: Heinle Learning Center, students can review mini-lessons on grammar, pronunciation, and vocabulary to study and supplement in-class lessons.

**About the Author** Zulma Iguina is a former senior lecturer in Spanish at Cornell University. Her academic background is in linguistics and literature, and she taught Spanish language at Cornell for more than 30 years. She worked intensively with novice teacher development while serving as coordinator for the elementary level, Spanish 121-122 for over a decade. She is the recipient of a Clark Award for Distinguished Teaching. Eleanor Dozier is a former senior lecturer in Spanish at Cornell University. Her undergraduate and first graduate work were conducted at the University of Arizona, where she studied French and Spanish literature. She continued her doctoral studies at Cornell University and remains All But Dissertation in French literature. She taught French language for 12 years, and taught the Spanish language for 30 years. She served as the faculty fellow for the Language House in Spanish for several years, and for the academic year 1998-1999 co-directed the Cornell-Michigan-Penn Program in Seville. Dozier also has served as associate chair for Language Instruction for the Department of Romance Studies since the fall of 2000.
