Great artwork stuff and drawings with full information about the most popular marvel superheroes and villains. It's a real honor to have this book. Starting from cover art by Alex Ross the whole book is real treasure. Every Marvel fan should have this book!!!0 of 0 people found the following review helpful. Five StarsBy CustomerGreat0 of 0 people found the following review helpful. This is a great guide!By Cash A. EchevarriaThis is a detailed guide to all

the Marvel superheroes. This book doesn't have every single hero as it is part of a set which is a bit pricey however, there is not a better Marvel dictionary to own!

At last, the long awaited, complete and up-to-date listing of more than 100 top Marvel heroes and villains, from A to Z. This fully illustrated, comprehensive hardcover includes biographies, statistics, essential reading and quizzes on all the Mighty Marvel's most popular characters. How did they get their powers? What were their greatest adventures? Who are the deadliest adversaries? All is revealed in the Marvel Encyclopedia.
