**Mary Margaret McBride : Mary Margaret McBride - Encyclopedia of Cooking - Deluxe Illustrated Edition - Complete 12 Section Set** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mary Margaret McBride - Encyclopedia of Cooking - Deluxe Illustrated Edition - Complete 12 Section Set:

0 of 0 people found the following review helpful. Two StarsBy Rev J.The description said the book was in good condition. I would definitely say it was in fair condition.1 of 1 people found the following review helpful. Great ResourceBy hope4usLOVE IT!!! My mom had this cookbook when I was a little girl. I wanted to get hers, but it was very worn. I love having it again.2 of 2 people found the following review helpful. The only cookbook you really need ... 25,000 recipes!!!By Potluck QueenMy mom was a terrible cook, but luckily my dad was great. This and the Antoinette Pope cookbooks were the two we had when I was growing up. My mom kept hers by the stove, so eventually it got kinda scorched. Mine sits on top of my microwave so it's handy, but won't burn up.Obviously this is an older cookbook so if you need beautiful photographs weird foods to entice you to try a recipe, this is not the book for you. No photographs but lots of the wonderful old time art work. This was originally sold in the grocery stores on a weekly basis. Buy \$15 of groceries you could get a chapter for \$1.25. Each week featured a different chapter. You used to be able to get all sorts of stuff that way ... I got my towels everyday silverware that way when I was first married.If you are a fan of Amish cooking you will love this cookbook because this is how we all cooked back then.

Do you need a recipe for potato salad? You will find a good number of variations plus a basic recipe. Recipes are easy easy to follow. TIP: the first time you make a recipe; follow it exactly ... do not make substitutions. If it says butter don't substitute oleo then wonder why it doesn't taste really good. If you want to really know if this book is for you, go to your local library. If they don't have a copy there is always the option of the Inter-Library Loan procedure (books usually take about 3 weeks to arrive). I almost always preview books from the library before purchasing ... it has saved a lot of disappointment.

The book is bound in a bright yellow hardcover measuring 11 1/2 ' tall by 9' wide by 3 1/2 ' thick. There are small bumps to the corners and 5 samm nicks ro rhe cover. The pages are clean and tight. 1536 pages.
