the following review helpful. FantasticBy Kindle CustomerGreat simplistic book that explains a lot! Good for anyone involved in the craft. Must have for anyone wanting to know the simple details.4 of 4 people found the following review helpful. Gives a little background on some of the words and phrases usedBy Emma CroftMany of the terms used are old English or taken from the bible. This book helps to break down those terms which can help bring deeper meaning and understanding.

"Masonic Word and Phrases" is a wonderful collection of the most often used words and phrases in Masonry. Presented in an easy to read and understandable format, this work provides any student of Masonry with a clear understanding of the meaning of our many phrases and words so seldom used outside of Masonry. This work is valuable to the experienced Mason as a quick and handy reference guide. For the new Mason, however, it is an indispensable work and one that should augment any Masonic education program.
