Delorme : Massachusetts Atlas Gazetteer before purchasing it in order to gage whether or not it would be worth my time, and all praised Massachusetts Atlas Gazetteer:

2 of 2 people found the following review helpful. A state of contrasting styles...By HMS WarspiteThe State of Massachusetts offers some interesting contrasts for the traveler by automobile. Downtown Boston has been improved in recent years by construction that simplified its main arteries (finally), but it is still a congested major urban area, best traveled by mass transit or by sticking to the main roads. Away from Boston, the farmlands of the Connecticut River Valley and the Berkshire Hills offer a different perspective and different driving demands, including this atlas.

Famously beautiful Cape Cod has its own challenges, many of which can be overcome if you can make it past the chokepoints over the Cape Cod canal. This DeLorme Atlas is what every traveler needs to minimize the pain and maximize the enjoyment of touring around a state that offers natural and historic wonders. The Atlas has the standard DeLorme layout: a large scale map; an index of placenames; listings of parks, historical sites, and campgrounds; and mapsheets of the state. The color, contrast, and details should be sufficient for road navigation. Close-up maps of Boston, Springfield and Worcester are included. DeLorme's Massachusetts Atlas is highly recommended to travelers. 0 of 0 people found the following review helpful. They are high quality and super detailed. I love geography and am a map collector ...By Chuck Strawberry I have the DeLorme atlases for all 50 states. They are high quality and super detailed. I love geography and am a map collector and I highly recommend them 0 of 0 people found the following review helpful. Very good By Roy H. Very good and a low price, including free shipping which saves me gas too

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses.
