would be worth my time, and all praised Master the AMA Guides 5th: A Medical and Legal Transition to the Guides to the Evaluation of Permanent Impairment, 5th:

NOTE: THIS IS A COMPANION BOOK. Master the AMA Guides Fifth is the indispensable companion to the Guides Fifth. Master the AMA Guides Fifth provides an overview of how to apply the Fifth Edition in practical terms and includes valuable tips and case studies that discuss the medical and legal implications of using the Fifth Edition. This guide helps you move smoothly to the new changes in evaluating and rating impairment. This is the accompanying volume to "Guides to the Evaluation for Permanent Impairment" and highlights changes by comparing the fifth edition with the fourth. Medical and legal analysis demonstrates how the new edition sets out to change the way physicians evaluate impairment and disability and considers the legal implications.
