Learn Vernon's techniques for being strategic about delivering your message in your career or business. As a fellow podcaster, this book meant even more because voice is everything in podcasting. Being masterful with my message is key to keeping people engaged. Vernon's uses his real life experiences in the book to show you how to repurpose and master your message on a daily. This book is ideal for students to public speakers.

Many people have been in those awkward situations in which theyre the center of attention with no idea what to say or how to say it. Vernon shares on how he, Chris Brogan, and Patrice Washington were able to overcome the challenges to finding their voices and delivering masterful messages. No matter if someone is on stage, behind the microphone, on a podcast, or sitting in front of a camera, they will learn key strategies to keeping their cool and finding their voice in Master Your Message.
