I would think you would need a year or possibly two of Arabic lessons before using it effectively. The lessons are reinforced with the CDs which leans toward on Egyptian pronunciation. Of course, the texts are still simplified. Grammatical and stylistic points are reinforced in a very user

friendly way. At this point I have only completed two chapters2 of 2 people found the following review helpful. It has lists of words, a little grammar in each unit, readings, listenings attempts for you to speak. Good resource3 of 3 people found the following review helpful. Awesome if you need to learn Arabic and can't go to classesBy Julie PatersonIf you are a disciplined self-studying, motivated type of person, this is a great book. Highly recommend it to anyone wanting to improve their reading, writing and vocab. Easy to use, fun and not a drag, so it is easy enough to stay motivated to continue with the lessons!

A modern, engaging intermediate self-study course that teaches Modern Standard Arabic. This book CD set builds upon the lessons from the bestselling Mastering Arabic 1 but is suitable for any learner with some prior knowledge of Arabic.
