Alexander Chernev : Mastering the Job Interview: Your Guide to Successful Business Interviews, 7th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Mastering the Job Interview: Your Guide to Successful Business Interviews, 7th Edition:

Your ability to secure your dream job often hinges on how well you would do in your interview with the company of your choice. Being the best candidate for the job is not enough; you need to convince recruiters that you are the candidate they are looking for. To achieve that, you need to understand the basics of the interview process and to master your interview skills. This book gives you the tools to ace your job interview. It outlines the basic interview principles, reveals the core skill set most recruiters look for, and identifies strategies you can use to master the job interview.

This is the best guide that I have seen on how an applicant should prepare and handle a job interview. I think that any student would be grateful for this book. --Philip Kotler
This book provides a great description of the MBA job search process. It effectively uses the marketing paradigm to develop exceptional job search strategies. --Andris Zoltners, founder of ZS Associates
This book is a great complement to what we teach our MBA students. It brings to life the information any job seeker will be able to use and easily implement. --Roxanne Hori, Director, Career Management Center, Kellogg School of Management
