Barbara Burn : Masterpieces from the Metropolitan Museum of Art before purchasing it in order to gage whether or not it would be worth my time, and all praised Masterpieces from the Metropolitan Museum of Art:

0 of 0 people found the following review helpful. Love this bookBy ruthann nestorGreat reference book. Arrived in excellent conditon.6 of 6 people found the following review helpful. The best without being thereBy Noel EveAs an amateur art conoisiseur, and art student currently in study, I find this book to be a marvel. The photos of the artwork are fantastic. Nowhere have I been able to find photos and information on many of the permanent collection pieces that are captured in this book. Small captions are descriptive and informative, but the photos are the focus. It's the best one could possibly get without being there.

Pages are clean and binding is tight.
