Jack Schieffer : Math Workout for the New GMAT, 4th Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Math Workout for the New GMAT, 4th Edition:

0 of 0 people found the following review helpful. Great Resource for Mastering the GMAT By Beast This book was a great resource for mastering the GMAT. It provides shortcuts and tricks for getting to the right answer in the short amount of time available per question. I used this book as a resource while taking a prep course. The combination of written guidance and face to face tutoring helped me succeed. 0 of 0 people found the following review helpful. Five Stars By Geno Good, speedy service, as always. Thanks, geno 0 of 0 people found the following review helpful. Basic, good warm up By Gianfranco Carrion This is the book to buy to keep your reflexes ready. Do not lean on this to be your main and only preparation for the test. Great as a workbook for your "off" days

If you need to know it for the new, next-generation GMAT, its in this book. Math Workout for the New GMAT, 4th
