**Peterson's : MBA Programs 2008 (Peterson's MBA Programs)** before purchasing it in order to gage whether or not it would be worth my time, and all praised MBA Programs 2008 (Peterson's MBA Programs):

2 of 2 people found the following review helpful. DisappointingBy K. KimI was very disappointed with Petersons MBA book. The information on the schools could be found on their websites and gave no real insight. There were expanded descriptions for only a handful of schools. Furthermore, the introductory information at the beginning gave no substantial information. I had high hopes for this book but was extremely disappointed with the content.
