StanfordThe tests seem good (I have never taken the real one), but you don't get a calculated score...you can kind of guess, but because it is adaptive scoring you cannot know what your score would be.0 of 0 people found the following review helpful. One StarBy GwenHorrible pdf version. Questions go off the edge of the pages making the content effectively unusable. Do not buy.0 of 0 people found the following review helpful. Would not recommend to spent money or time practicing with this bookBy CustomerWay easier than the actual GMAT. Would not recommend to spent money or time practicing with this book.

The only book that offers 10 full-length GMAT practice tests! 10 GMAT Practice Tests matches the actual GMAT exam in content, format, and difficulty, making it the perfect book for test takers who have completed their review of GMAT topics but still seek extra practice with realistic exams. 10 full-length practice GMATs--more than any other print or digital book Includes six sample tests previously only available in digital format Answer keys with full explanations
