Hans A. Baer, Merrill Singer, Ida Susser : Medical Anthropology and the World System: Critical Perspectives, 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Anthropology and the World System: Critical Perspectives, 3rd Edition:

0 of 1 people found the following review helpful. I love itBy MARCOS A DOS SANTOThis book helps me and everyone to building a critical mind for a better world. Fantastic, amazing book, especially for anthropologist students.

Now in its third edition, this textbook serves to frame understandings of health, health-related behavior, and health care in light of social and health inequality as well as structural violence. It also examines how the exercise of power in the health arena and in society overall impacts human health and well-being.

About the Author Hans A. Baer, PhD, has been faculty at the University of Melbourne in the Development Studies Program since 2006. Previously he taught for many years in various universities in the United States. Merrill Singer, PhD, is professor in the departments of Anthropology and Community Medicine, and senior research scientist at Center for Health, Intervention and Prevention at the University of Connecticut. Additionally, he is faculty at the Center for Interdisciplinary Research on AIDS at Yale University. Ida Susser is professor of anthropology at Hunter College, CUNY, and adjunct professor of sociomedical sciences at Columbia University's Mailman School of Public Health. She is founding president of the Society for the Anthropology of North America, and she served as president of the American Ethnological Society.
