Davi-Ellen Chabner BA MAT : Medical Language Instant Translator, 6e before purchasing it in order to gage

whether or not it would be worth my time, and all praised Medical Language Instant Translator, 6e:

Find quick, practical explanations of specialized medical terminology! Davi-Ellen Chabners Medical Language Instant Translator, 6th Edition provides a handy reference that's ideal for everyday use in the classroom and in the health care environment. Access key information on diagnostic tests and procedures, commonly misunderstood medical terms, and interpreting medical reports. Find coverage of the top 100 prescription drugs, medical abbreviations, symbols, and acronyms, and more. Based on Chabners' *The Language of Medicine*, this compact resource makes it easier to understand complicated medical terms and communicate more effectively. Quick, portable access makes it easy to find information on key medical terms, abbreviations, common diagnoses, and more. **Medical Terms Easily Confused** section helps you distinguish between commonly misunderstood medical terms. **Diagnostic Tests and Procedures** section addresses commonly performed diagnostic tests and procedures and why they are ordered. **Body Systems** sections include labeled, full-color illustrations for a handy review of anatomy. Other translations of medical language include sections on acronyms, eponyms, symbols, plurals, surgical terminology and technology, prescription drugs, and complementary and alternative medicine. **NEW Understanding Medical Reports** section helps you navigate through the terminology and background of clinical procedures and tests. **NEW** terms and definitions reflect the latest advances in health care. **UPDATES** provide the latest information on topics such as health care organizations, certifications, and professional designations.
