Princeton Review : Medical School Essays That Made a Difference, 5th Edition (Graduate School Admissions Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical School Essays That Made a Difference, 5th Edition (Graduate School Admissions Guides):

10 of 11 people found the following review helpful. either because of something the applicant said or how bad the

writing was By T. Hossinsome of the personal statements in this book made me cringe, either because of something the applicant said or how bad the writing was. Suffice it to say, most of these applicants got in with their high GPA, not because of the depth in their personal essays. Since I bought this book to see examples of stellar essays, I was disappointed with the quality of writing. The tips offered before the essays weren't all that useful either--things anyone with common sense would know without having to shell out \$12.1 of 1 people found the following review helpful. I didn't like most of the essays in this book because I ...By CustomerI didn't like most of the essays in this book because I didn't find their narratives compelling enough. I volunteered to give feedback on personal statements on Reddit and I found even those touched me more.I gave this book a 3/5 star review, however, because some of these essays had great sentences I could model after. It especially helped me with syntax and flow of my own essay0 of 1 people found the following review helpful. I'd disregard the other comments saying it's terrible, and this book tremendously helped to provide me ...By Matthew EliSo I read the older version of this (the one with the John Hopkins photo cover from 2010) and it was phenomenal!!! I'd disregard the other comments saying it's terrible, and this book tremendously helped to provide me structure for my personal statement. I'd recommend it to everyone!!!! I'd pay \$100 for this book now easily for how helpful it was for me. Really appreciative for Princeton Review for going out and making this.

The inside word on medical school admissions.Gaining admission to a top medical school requires more than "just" a stellar MCAT score and an excellent GPA. You'll also need to nail your personal statement. In this book, you'll find the help you need to do just that: 45 real essays from future doctors, along with each applicants MCAT scores, GPA, and admissions profile An overview of med school admissions and financial aid, including a breakdown of the anatomy of the application Interviews with admissions officers who have read thousands of application essaysThis fifth edition of Medical School Essays That Made a Difference includes application essays from students who enrolled at the following schools: Cornell University, Joan and Sanford I. Weill Medical CollegeGeorgetown University, School of MedicineJohns Hopkins University, School of MedicineNew York University, NYU School of MedicineTemple University, School of MedicineTulane University, School of MedicineUniversity of Virginia, School of MedicineUniversity of WisconsinMadison, School of Medicine and Public HealthYale University, School of Medicine

About the AuthorThe experts at The Princeton have been helping students, parents, and educators achieve the best results at every stage of the education process since 1981. The Princeton has helped millions succeed on standardized tests, and provides expert advice and instruction to help parents, teachers, students, and schools navigate the complexities of school admission. In addition to classroom courses in over 40 states and 20 countries, The Princeton also offers online and school-based courses, one-to-one and small-group tutoring as well as online services in both admission counseling and academic homework help.
