From Brand: Borm Bruckmeier Publishing : Medical Spanish Pocket Plus: English-Spanish, Spanish-English before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical Spanish Pocket Plus: English-Spanish, Spanish-English:

0 of 0 people found the following review helpful. Five Stars By Carmen Chatismall, compact, useful

Medical Spanish pocket plus is the extended version of the Medical Spanish pocket, including the complete dictionary from the new Medical Spanish Dictionary pocket. It provides hundreds of essential words and phrases, ready to use, as well as numerous bilingual diagrams and a comprehensive bilingual dictionary. Because the book is clearly organized by situation (interview, examination, course of visit), it enables every health care professional to communicate with

Spanish-speaking patients.
