Bruce S. Cooper, Carlos R. McCray : Mentoring for School Quality: How Educators Can Be More Professional and Effective before purchasing it in order to gage whether or not it would be worth my time, and all praised Mentoring for School Quality: How Educators Can Be More Professional and Effective:

This book will help educators/practitioners become better mentors, expand the dialogue on what makes a good mentor, and it will add new and critical insight into the literature. This book is contributed by a balance of scholars and practitioners and will be a timely contribution to the field as more educators seek out mentors in a time educational chaos.

Mentoring for School Quality makes a valuable contribution to our knowledge of effective mentoring practices. Written by leading scholars, the book addresses the critical and varied roles of mentoring in school leadership and improvement. (Lance D. Fusarelli, Ph.D., professor, North Carolina State University)About the AuthorDr Carlos R. McCray is the Division Chair and Associate Professor for the Educational Leadership, Administration, and Policy Division. He is the co-author of the books, *Cultural Collision and Collusion: Reflections on Hip-Hop Culture, Values, and Schools* and *School Leadership in a Diverse Society: Helping Schools Prepare All Students for Success*. Professor McCray has worked with school leaders and educators in the metropolitan areas of Atlanta, New York City and London, UK.Bruce S.
