before purchasing it in order to gauge whether or not it would be worth my time, and all praised Merriam-Webster's Arabic-English Dictionary, newest edition, mass-market paperback:

2 of 2 people found the following review helpful. Good arabic pocket dictionary  
By peter cummings  
Very good little pocket dictionary for beginners/intermediate. Would have liked irregular plurals for nouns and adjectives. Have used the other (French, German) Merriam Webster dictionaries that are really superb, and thought this might have more. Very good just the same and not overwhelming. Am developing vocabulary competency rapidly.
