Merriam-Webster, Inc. : Merriam-Webster's Concise Dictionary, Large Print Edition, Newest Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Merriam-Webster's Concise Dictionary, Large Print Edition, Newest Edition:

9 of 9 people found the following review helpful. Wanna' become a writer?By Juan LegNo bookshelf is complete w/o at least one dictionary . If you are visually impaired as I , this book is for YOU ! It does include some modern slang yet , doesn't contain the verbiage as w/ it's hard cover counterpart . You won't even notice it's shortcomings , I

assure you .Unless you are an English major w/ aspirations of becoming a professor , this book is all you will need .1 of 1 people found the following review helpful. Great dictionary. Easy to see/read and works perfect for my kids.By JensterI purchased this book for my children who are 9 and 11 because our standard Merriam-Webster dictionary was just too confusing and tiny for beginner dictionary users. This is just perfect for my kiddos so now when they ask me what a word means or how to spell it I can say "go look it up" and they can. I even find it a faster look up though it's more basic in the extras, it's perfect for our every day use needs.0 of 0 people found the following review helpful. A USEFUL BOOKBy Susanne JuddIt seems to be very useful to the people who reside in the assisted living facility where I live-- that is why I bought it. People can read the large print.

This newest edition of Merriam-Webster's concise large-print edition is specially designed to meet the standards of the National Association for the Visually Handicapped and carries the NAVH seal of approval. This dictionary contains 35,000 fully revised entries, clear definitions, spellings, and pronunciations, and includes a punctuation guide.
