**Merriam-Webster Inc. : Merriam-Webster's Dictionary and Thesaurus** before purchasing it in order to gage whether or not it would be worth my time, and all praised Merriam-Webster's Dictionary and Thesaurus:

0 of 0 people found the following review helpful. Necessary staple for any home that has kidsBy Anna C. My 15yr old kept begging me to get onto the computer or tablet to "google" the definitions of words he had on his vocabulary lists. I wanted to make sure he knew how to look up words, definitions, synonyms and antonyms the good ol' fashioned way. Now he doesn't even ask, just pulls out his trusty dictionary and thesaurus and looks up everything on his own. He's even taught his younger brother, 10yrs old, how to use the book now. 0 of 0 people found the following review helpful. I rate the book itself as 5 stars, but ...By Jim Steiner I rate the book itself as 5 stars, but the print on the miniature version that was shipped to me was so small, it was almost unusable. The standard size for this book is about 11" x 8" and the one shipped was 7.8" x 4". I gave it as a gift to a near signed friend rather than return it for the 50% refund offered and having to pay return freight. AMAZON SHOULD INDICATE IN THE INITIAL PICTURE AD THAT THE BOOK OFFERED IS MINIATURE SIZE and that there are more than one size available rather than only indicate this on the next page after a series of ads that many readers may not even be interested in. 0 of 0 people found the following review helpful. Five StarsBy HIROKO AIZAWA good !

Two Essential References in One! - Nearly 60,000 dictionary entries with nearly 500 new thesaurus entries added. - More than 13,500 thesaurus entries including extensive synonym and antonym lists - Dictionary and thesaurus entries combined alphabetically - Clear and concise word guidance including abundant example phrases
