My older children went through a number of cheap dictionaries. This is inexpensive but not cheap. And the illustrations are wonderful. My daughter's hand are tiny for a 9 year old and I was worried. This book is very light weight and flipped smoothing and quickly without plotting, especially considering it's rarher large. And the the print is clear and bright and large enough for copying from with ease. So much more I could say about the features inside the cover. More than just a dictionary! 0 of 0 people found the following review helpful. My smarty girl loves this. By Patricia I was getting tired of always defining words for my 7yo. This is awesome and she uses it daily, she already had a large vocabulary, and this is just

helping so much. Next is a thesaurus1 of 1 people found the following review helpful. Does not contain many words that my third grader needed ...By Amy2233Does not contain many words that my third grader needed to look up. Might as well get the regular dictionary
