A trade paperback dictionary designed for people with limited English language skills. Great for ESL students. More than 36,000 entries with concise, easy-to-understand definitions. More than 20,000 usage examples with over 400 detailed line drawings. Also includes word histories, biographical names and geographical names.

32,000 entries accompany new word definitions and special sections on abbreviations, signs, and histories to make for a well-rounded presentation of English definitions. These are short, succinct presentations which make for strong references for a busy learner. --Midwest Book About the Author Merriam Webster Inc, Springfield, MA
