**From Merriam-Webster :** Merriam-Webster's Notebook Thesaurus before purchasing it in order to gauge whether or not it would be worth my time, and all praised Merriam-Webster's Notebook Thesaurus:

0 of 0 people found the following review helpful. Spanish Instructor Approved! By Stacia313 Spanish instructor approved! I love how this three-hole-punched book fits perfectly in a 1" binder with a package of loose-leaf paper. Spanish notes and reference all in one binder! Spanish to English in the first half, English to Spanish in the back half of the book. My daughter's Spanish teacher checked it out today and was impressed with this dictionary. Great buy! 0 of 0 people found the following review helpful. Love these for my middle school ESL students By Zhenya Love these for my middle school ESL students. The dictionaries easily fit into their binders so that they are able to look up words they don't understand in other classes. A large dictionary would be cumbersome for them to carry from class to class, and potentially embarrassing to use. 0 of 0 people found the following review helpful. Don't waste your money By

Jennifer DennyThe writing inside was much, much too small. You need a magnifying glass to read it. Don't waste your money.

A compact compendium designed for 3-ring binders. More than 85,000 words. Includes synonyms, related words and antonyms.

About the AuthorFor more than 150 years, in print and now online, Merriam-Webster has been America's leading and most-trusted provider of language information. All Merriam-Webster products and services are backed by the largest team of professional dictionary editors and writers in America, and one of the largest in the world.
