Five StarsBy diverexcellent product, excellent service0 of 0 people found the following review helpful. Five StarsBy Laura HarlingFine map.

Waterproof Tear-Resistant Travel MapWith its rich cultural history, numerous ecosystems and vast biodiversity, Mexico is one of the most visited countries in the world. National Geographic's Mexico Adventure Map was created for adventure travelers with its unparalleled detailed and convenience. The north side of the map includes Tijuana and the Baja California peninsula, the Gulf of California and nearby parts of the U.S. with such cities of as El Paso, San Antonio and Dallas. The map's south side shows Mexico City, Acapulco, Guadalajara, Monterrey and the neighboring countries of Belize and Guatemala as well as the western half of Honduras.A user-friendly index of states, cities and towns will help you quickly locate your destination. The clearly mapped road network, complete with distance markers and designations for limited access, toll and divided highways as well as secondary and other smaller roads, will help you plan your route. In addition to the content of traditional road maps, also displayed are hundreds of cultural, ecological, historical and recreational points of interest, including many that are outside of major tourist hubs. Some of these pinpointed places are national parks, nature reserves, monuments, fortresses, archeological sites, caves and UNESCO World Heritage Sites. With such an abundance of specialized content, this map is the perfect compliment to any guidebook.Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel.Map Scale = 1:2,425,000Sheet Size = 37.75" x 25.5"Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
