and understanding the differences between civilian and government resumes.0 of 0 people found the following review
helpful. Good referenceBy RangerGood book, thought it would be a better sample guide and really could find much of
the subject material on line. So if you are looking for transitional material and like it in hard copy this is a pretty good
reference.2 of 4 people found the following review helpful. From proving past performance to translating military
skillsBy Midwest Book ReviewCarl Savino and Ronald Krannich's Military Resumes And Cover Letters also appears

in its second edition to update details on incorporating a military background into an attention-grabbing civilian resume. From proving past performance to translating military skills into civilian job requirements, this provides plenty of practical applications.

Here's the definitive resume and letter writing.
