Carl S. Savino, Ronald L. Krannich : Military-to-Civilian Resumes and Letters: How to Best Communicate Your Strengths to Employers (Military Resumes and Cover Letters) before purchasing it in order to gage whether or not it would be worth my time, and all praised Military-to-Civilian Resumes and Letters: How to Best Communicate Your Strengths to Employers (Military Resumes and Cover Letters):

0 of 0 people found the following review helpful. Helpful bookBy M. TrepanierNo one book can work for everyone because every situation is different for those of us who transitioned (or are going to transition) from the military. With

that said, this is a decent book to at least help out in the process. I bought several books to assist me on my way after a military career, and I took a bit from all of them to help me through the transition process. This was helpful, but you'll need more than just one reference to work your way from the military to the civilian sector. 1 of 1 people found the following review helpful. An Excellent Guide! By J. P. StJulian Living near an Air Force Base and being a retired military man myself, I can see the value of this book to those transitioning from military service to civilian life. I have been able to help many such people to properly represent themselves to potential employers in a serious manner through the use of the techniques and examples in this wonderful book! Thank you from me and those I've helped. 0 of 0 people found the following review helpful. Five Stars By Carol Knight When I write resumes for our awesome military, I helps me to better understand their transition.

Each year more than 250,000 transitioning military personnel enter the civilian job market. Going beyond the rules of good writing, this book shows how such individuals can produce, distribute, follow up, and evaluate employer-centered resumes and letters for maximum impact. Includes 65 key principles, a 6-step military-to-civilian language translation process, over 75 sample resumes and letters, 100 top Internet employment sites, and more.
