**Derek Roberts : Miller's Buyer's Guide: Clocks Barometers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Miller's Buyer's Guide: Clocks Barometers:

0 of 0 people found the following review helpful. typical Millers. lots of pictures of items out of ...By L. Asmanntypical Millers. lots of pictures of items out of most peoples price range.0 of 0 people found the following review helpful. Great book for the collector or dealer of antique clocks.By Brian P.I give this book 5 stars. Excellent book for both the collector and dealer of antique clocks. Thousands of color photos. The book lists values too for the clocks. Very nice and organized book. I recommend this book very highly. Thank you!0 of 0 people found the following review helpful. Three StarsBy Jesse E. DavisNice to have a picture book of English clocks.

A fully updated edition with revised price and current market information! This practical reference work, invaluable for both enthusiasts and experienced collectors, covers a wide range of timepiece styles and mechanisms, from elegant mahogany longcase clocks to enameled brass carriage clocks. A special section focuses on the increasingly collectable field of American clocks, and every single item includes a picture and an up-to-date price.

About the AuthorJudith Miller began collecting in the 1960s while a student at Edinburgh University in Scotland. She has since become one of the world's leading antiques experts in the field. In 1979 she co-founded the international best-seller Miller's Antiques Price Guide and has since written more than 100 books. Judith Miller appears regularly on TV and radio. She is an expert on the BBC's 'Antiques Roadshow' and hosted the BBC TV series 'The House Detectives', ITV's 'Antiques Trail', and Discovery's 'It's Your Bid'. She has appeared on 'The Martha Stewart Show' and CNN. She is a regular lecturer and contributor to numerous newspapers and magazines, including Financial Times, BBC Homes Antiques and House Garden. She has lectured extensively, including at the VA in London and the Smithsonian in Washington.
