**Milton Berle : Milton Berle's Private Joke File** before purchasing it in order to gage whether or not it would be worth my time, and all praised Milton Berle's Private Joke File:

0 of 0 people found the following review helpful. A not bad joke bookBy Joseph Barclay RossA not bad joke book, if you have the time to wade through seas of mediocre hack and often extremely unfunny mots un-bon. Very big but with surprisingly knee-slappers. Much prefer the comparably sized "Man Walks Into A Bar" with much better jokes and better categorizations including "Cheesy Pickup Lines" for example. I guess Milton, alas, was always rather an inept joke thief who lucked out to come around during the dawn of TV when people would laugh at just about anything. Ah, well.0 of 0 people found the following review helpful. Classic Jokes, not all are familiarBy Big Band LeaderI'd maybe give this 4 and 1/2 stars, a lot of these jokes are still very funnyonly some were familiar, but that doesn't mean they aren't funny. The late MiltonBerle was in show business practically since his childhood, even appearing in a few silentfilms. Then came vaudeville, radio, and of course television. Sometimes called "The Thief of Badgags"they may vary with original authorship, but most still work, although my favorites are theinsult gags, and ones to use to answer hecklers. The suggestion for handling a "roast" could come inhandy. The follow-up volume is also worthwhile.0 of 0 people found the following review helpful. A Little Less Than I ExpectedBy Joseph L. BurkeIt's a good book and maybe I judge too harshly, but out of the cornucopia of humor here, I got about three dozen really good jokes. Perhaps It's me.

One of the legends of show biz delves into his personal treasury of jokes ("The most comprehensive storehouse of

20th-century humor in the world"--Los Angeles Magazine) to present the most astounding array of one-liners, anecdotes, quips, and gags ever published. Line drawings. From the Trade Paperback edition.
