Editors of Haynes Manuals : Minneapolis Moline Shop Manual Mm-201 (I T Shop Service Manuals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Minneapolis Moline Shop Manual Mm-201 (I T Shop Service Manuals):

0 of 0 people found the following review helpful. Will let me restore this monster without too much hassle By A. Ullevig I own a 69 jetstar 3 with a Parsons loader and hoe rated at 10k 510 series. This book contains most everything to rebuild my jetstar. As well as many different models of MM. I am fairly happy with this manual. Especially since it is a real book. Not some photocopied crap like I've been misled into buying before. Although I do not see any measurements for the o-rings and seals for the hydraulics, lots of exploded diagrams. Definitely worth the 27\$ of 0 people found the following review helpful. I bought this as a gift for my father in ... By Nicole I bought this

as a gift for my father in law who loves Minnies and fixes them up and does tractor pulls. This came brand new, wrapped in plastic! He loves it and can't wait to fix up more Minnies! 1 of 1 people found the following review helpful. nice reference manual By IMADreamer I actually purchased this as a gift for my father who is a fan of MM/MF tractors of this era. It's a nice manual and I know he's enjoyed thumbing through it, not sure if he's actually had to use it yet but the info is nice and detailed.

From the front axle to the rear axle, Primedia IT Shop Service Manuals have been the authoritative source for tractor repair and maintenance information since 1948.
