Mike Ellis : More Chinese Slanguage (English and Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised More Chinese Slanguage (English and Chinese Edition):

1 of 1 people found the following review helpful. memorable ... and close enough to be understood (in context)By M Mirams got both books - they could be in one volume... but guess large visuals would be good for teaching kids2 of 2 people found the following review helpful. HelpfulBy Richard BuchbornGreat concept3 of 3 people found the following review helpful. Chinese tone with english words!By philkitSo nice - learn to say chinese with correct tone by reading English words. it would be nice if author added a table on how to say the accented letters.

These easy-to-use, pocket-sized language guides are a great way to learn to speak hundreds of basic words and phrases in the most popular foreign languages. With these fun visual guides, just follow the illustrated prompts and read the English words out loud. Soon you'll be speaking the language well enough to be understood by most native speakers while asking directions, ordering food at a restaurant, shopping, or just making new friends!
