Cecil Adams : More of the Straight Dope before purchasing it in order to gage whether or not it would be worth my time, and all praised More of the Straight Dope:

0 of 0 people found the following review helpful. One of the greatest bathroom books. By Bjorn Olafsson Reading the straight dope is entertaining, and you gain knowledge that will impress people everywhere. You'll read about questions you've probably asked yourself, but were too stumped to even know where to begin to find the answer. Personally, I think every American high school student should read the entire collection. You end up grasping a good bit of

different fields, Chemistry, Physics, Mathematics, as well as Logic, and a good helping of common sense. Beware, you might lose circulation in your legs if you do read this on the throne, this is an addicting read. 1 of 1 people found the following review helpful. Four Stars By youngorDelivered as advertised. 0 of 0 people found the following review helpful. A good Read By Miss Dolly This product was received promptly and as described. I would recommend this book for those who enjoy bizaar facts that have previously gone unanswered

"Smart, saucy answers...the kind of book you'd buy as a goofy present for your wackiest friend--and then keep." THE PHILADELPHIA INQUIRERS Since 1973, the redoubtable Cecil Adams has collected, corrected, inspected, and dissected thousands of reader's questions, reporting his sagacious findings in the popular weekly column, THE STRAIGHT DOPE. His first book amazed millions. Now he returns with another incomparable compendium of fantastic facts, insouciant information, and delicious data on every subject of import to personkind: Is it true Thanksgiving was invented by the editor of HARPER'S BIZARRE...? Why do your fingers wrinkle in the bathtub...? and hundreds more burning questions explained at last!

From the Inside Flap "Smart, saucy answers...the kind of book you'd buy as a goofy present for your wackiest friend--and then keep."
