**Moritz Gottschalk : Moritz Gottschalk, 1892-1931: Dollhouses - Doll Rooms - Kitchens - Stores - Furniture--Reprints of Original Catalog Photographs with Historical Documentation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moritz Gottschalk, 1892-1931: Dollhouses - Doll Rooms - Kitchens - Stores - Furniture--Reprints of Original Catalog Photographs with Historical Documentation:

The Moritz Gottschalk firm of Germany was the premiere dollhouse maker during the late 19th and early 20th century, but collectors have never had a reliable way to identify their dollhouses. Marianne and Jurgen Cieslik, the noted German doll Historians, are changing that as they have located the original factory illustrations of Gottschalk catalogues from the years 1892-1931, and are presenting them in there latest book, Moritz Gottschalk. More than 600 authentic archival illustrations of Moritz Gottschalk dollhouses are presented, and they are conveniently arranged in order of production.
