William Morris : Morris Dictionary of Word and Phrase Origins before purchasing it in order to gage whether or not it would be worth my time, and all praised Morris Dictionary of Word and Phrase Origins:

0 of 0 people found the following review helpful. Word and MeaningsBy Bonnie MckeownI would have enjoyed the book more if it hadn't tiptoed around some modern sayings.0 of 0 people found the following review helpful. great condition!By Larry BriesemeisterItem was as described, great condition!0 of 0 people found the following review helpful. history of words and phrasesBy Bruce W. BucholtzThis one volume dictionary/etymological source is a good value for the money. It covers many common and not so common entries which have interesting histories. Some of the

entries could have been more fully researched but overall this would be a good addition to anyone's library who has an interest in this area.

The first Edition of the Morris Dictionary of Word and Phrase Origins detailed the fascinating and little known stories behind thousands of words and phrases that we use every day. In this new edition, William and Mary Morris update and expand their classic work to keep pace with our ever changing language. New entries include: New trends--crack, glitch, greenmail, Harrier attack airplanes Foreign terms--falafel, geisha, jihad, paparazzi People--batman, dead end kid, Dutch uncle, hatchet man, Young Turks Given names--Chester, Edith, Jennifer and others Food--Adam and Eve on a raft, alligator pear, grapefruit, Harriet Lane Sports--box score, cheese champions, full court press and many more Throughout the Morris's present the histories of intriguing expressions in an eminently entertaining and readable fashion.

.com Anyone interested in the English language will be fascinated by -- and then obsessed with -- this dictionary that reads like an erudite gossip column for the city of words. The William Morrises bring an extensive knowledge of literature and linguistics and a perceptive sense of humor to their task. They reveal their expertise in informal, often witty, always piquant definitions of words that have crept into general usage via circuitous routes. In addition to being an indispensable reference volume, this book could well be picked up at random and read with interest and delight. -- Publisher's Weekly From the Publisher "A grand compendium of fascinating and little-known stories behind words and expressions we use every day, buttressed by the fine scholarship one would expect of these noted wordsmiths: It hasn't a dull page." --Harvard Magazine
