NOTE: This book will not include access code *Its time to talk! and have a cultured conversation*. Providing the truly communicative, deeply culture-focused approach instructors believe in along with the guidance and tools students need to be successful using a program with highly communicative goals with *Mosaicos*, there is no need to compromise. Recognizing the primacy of the relationship between culture and language, the new Sixth Edition of *Mosaicos* places culture up front and center, and everywhere in-between!
