By Lennox I purchased the Mosaicos: Spanish as a World Language Plus MySpanishLab with Pearson eText - Access Card Package (multi-semester access) 6th edition. All I received was a book without eText access card. I wasted my time. School already started and I am not happy. The seller is not even calling to explain. I really need the Access Card. 0 of 0 people found the following review helpful. Five Stars. By VKenRN This was exactly what I needed.

Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.
