Robert Hendrickson : Mountain Range: A Dictionary of Expressions from Appalchia to the Ozarks (Dictionary of American Regional Expressions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Range: A Dictionary of Expressions from Appalchia to the Ozarks (Dictionary of American Regional Expressions):

1 of 1 people found the following review helpful. Lots of entertainment, some education too.By Angela ClaybornLots of entertainment, some education too.0 of 0 people found the following review helpful. Lots of funBy TishaMy son was looking for an Appalachian dictionary. I found this on . Great price! And he loved it! Both informative and entertaining.

The newest addition to the American Regional Expressions series (Whistlin' Dixie, Happy Trails, and Yankee Talk), Mountain Range introduces readers to the vernacular of the Ozarks, the Blue Ridge Mountains, the Smokies, the Cumberlands, and of course Appalachia. What many people may not know is that there is much more to the rich culture and language of these regions than Hollywood caricatures like the Beverly Hillbillies and Ma Kettle suggest. Linguist Robert Hendrickson provides a revealing glimpse into a dialect that, according to Mario Pei, "comes closer in many respects to Elizabethan English than does present speech of London." Excerpted from novels, poetry, legends, newspapers, and other sources, Mountain Range contains thousands of expressions, anecdotes, pronunciations, and idioms that will entertain and enlighten you about life "down in the holler."
