A durable, convenient map for pedestriansBy CustomerI love this PopOut map because it is durable, easy to read and easy to fold. It has a larger city view and a more detailed map of center of the city. It also has an easy to read, color-coded map of the Munich Schnellbahn, or public transportation system. The map is made of very heavy card stock paper, and folds itself when you close the map. It folds along perforations in the paper, so I don't expect this map to last forever, but with proper care it will last for months of heavy use. Each map is 4" x 5 1/2" and folds out to a manageable 9" x 11". It's a great map for pedestrians.
