A definte must for Muppets fansBy BCBIIf you are a Muppets fan, regardless of how old you are and wondered about the background of the characters then this is a must book to have. The book has almost 200 pages and I was somewhat surprised that there are over 150 characters. There is a brief bio for each of the characters.6 of 6 people found the following review helpful. ExcellentBy Kortnee YorkThis is a great little book about Muppets. It's very informative and covers most characters. It's the quality you expect from DK, with lots of graphics and lots of information. This is a great buy for any Muppets fan.0 of 0 people found the following review helpful. Not what I expected or wanted - was hoping to ...By Noswad AcissejNot what I expected or wanted - was hoping to read more actual background on the creation of the characters and the performers who brought them to

life. Very little actual history included -- not even the facts listed in the description (Camilla's blue eyes, for example) are written in the book.

Did you know that Miss Piggy was raised on a farm and has two nephews named Randy and Andy? Or that Gonzo's girlfriend, Camilla the Chicken, can be simply identified by the color of her eyes they're blue! From Kermit the Frog, to Animal and Fozzie Bear, the gang's all here in *The Muppets Character Encyclopedia*, the perfect introduction to the Muppets. Each page of this fun and friendly guide features a different Muppet profile packed with tons of interesting facts about these beloved characters. With full bios of the characters from the new 2014 movie, *The Muppets Character Encyclopedia* is essential for any Muppet fan.

"Muppets Character Encyclopedia is great for either reading cover-to-cover, or picking up and flipping around to random pages to soak in all the Muppetiness."
