Thank you.0 of 0 people found the following review helpful. Good PriceBy Kearney KirbyThis is a required textbook for my major. Being a poor(\$) student, I have to find ways to save money. This book was \$132 at my school bookstore vs \$72 at ...a no brainer

This greatly expanded version of the first edition contains 41 chapters by 33 authors from around the world. As the most definitive text on the topic, it details myriad research paradigms and methods in music therapy following the

same outline.
