P K Hallinan : My Doctor, My Friend before purchasing it in order to gage whether or not it would be worth my time, and all praised My Doctor, My Friend:

A visit to the doctor's office is nothing to be afraid of. Whether it's a hurt finger, the flu, or just a routine check-up, the doctor will know just what to do. And from the toys in the waiting room to gadgets in the doctor's office, this book shows children that a visit to the doctor can be fun. It is suitable for ages 3 to 6 years.
