Milet Publishing : My First Bilingual BookClothes (EnglishSpanish) (Spanish and English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My First Bilingual BookClothes (EnglishSpanish) (Spanish and English Edition):

0 of 0 people found the following review helpful. Quite popular with mom and daughterBy CustomerPurchased this as a started book for a little girl who is just learning a second language. Its a nice, heavy cardboard book and the colors are bright. No problems or issues with the binding or the text (like poor screening where words could blur together). It is a nice place to start with learning nouns and learning the names of things. I would recommend it as a beginner book to learning French. The mother was very happy because she felt this book was practical because there are lots of different vehicles they see every day, so it was easy to integrate.0 of 0 people found the following review helpful. my son loves it.By laurenfor a short time we had a french babysitter and i bought this for her to read to my son. he liked it so much he used to have me read it. in truth i haven't seen it in a while and wonder whether i still have it but i can't blame the book for that. it's a very nice book that my two year old found very entertaining. it's basically a photo of a vehicle, the name in english and the name in french. one image per page. very simple.0 of 0 people found the following review helpful. Nice book for toddlersBy TruzbiglifeNice book for toddlers. Some of the French words for vehicles are so close to English, if you are only purchasing one French book for your collection, you might want to make a different choice.. Photos are nice, all in all, a very nice book.

Guaranteed to enrich a toddlers vocabulary, this simple and fun series of bilingual board books is ideal for helping children discover a foreign language. Titles in the series feature animals, clothes, colors, fruit, home, jobs, music, numbers, opposites, plants, school, sports, tools, vegetables, and vehicles. This collection combines photographs, bright illustrations, and dual-language words in clear, bold text. Suitable for both individuals and groups, these books are a childs perfect introduction to exploring other languages.

About the AuthorMilet Publishing is a leading independent publisher of books for children, young adults, and adults, featuring more than 300 titles in English and more than 25 languages that celebrate multiculturalism and multilingualism.
