They learn so quickly with this and some TV programs.0 of 0 people found the following review helpful. Excellent book for learning words and colorsBy S. SnyderThis is is an excellent book for kids to learn colors and words in both English and Spanish (the version that I bought). It's good for my 18 month old to learn his basic words and colors, and my 4 year old likes to learn the Spanish words.0 of 0 people found the following review helpful. Five StarsBy Teresa TomsenThis was a gift, baby loves it

Guaranteed to enrich a toddlers vocabulary, this simple and fun series of bilingual board books is ideal for helping children discover a foreign language. Highlighting the two basic concepts of colors and numbers, this collection combines photographs and colorful illustrations. All images include the words in both English and the second language in clear, bold text. Suitable for toddlers on their own or in groups, these books are a childs perfect introduction to exploring new languages.
