Milet Publishing : My First Bilingual BookMusic (EnglishFarsi) before purchasing it in order to gage whether or not it would be worth my time, and all praised My First Bilingual BookMusic (EnglishFarsi):

2 of 2 people found the following review helpful. Colorful images, good qualityBy CarmeThe books in the "My First Bilingual Book" series have colorful, good quality images, sturdy pages, and the size is relatively small. These are great books for households where both parents don't speak Italian, since they provide the word in both Italian and English. The only downside (for the whole series) is that it's not a story book, it's a dictionary/flashcard style book, so it can sometimes be difficult to hold a baby/toddler's attention with this. With the limited Italian bilingual material out there, I would still highly recommend this. The "Music-La Musica" one lists a wide variety of instruments. There was one mistake - for flute (il flauto), they have pictured a piccolo.0 of 0 people found the following review helpful. Easy, Colorful BookBy MeadeSimple and colorful book. Great learning book. Doesn't stand up to eating and ripping apart though.0 of 0 people found the following review helpful. A nice complement to the other books in the seriesBy CustomerPurchased this in French as a gift for a little one learning French and she needed some basic books to get started with. It covers a lot of instruments and the pictures have a good quality. I got it as part of a set with some other books in the same series.

Guaranteed to enrich a toddlers vocabulary, this simple and fun series of bilingual board books is ideal for helping children discover a foreign language. Highlighting more complex concepts that go beyond colors and numbers, titles

in the series feature jobs, music, opposites, and sports. This collection combines photographs, bright illustrations, and dual-language words in clear, bold text. Suitable for both individuals and groups, these books are a child's perfect introduction to exploring other cultures.
