They seem to advance at a good speed not too fast, or too slow. And I help her do her homework so I have even learned a little from them. 0 of 0 people found the following review helpful. Four Stars By Customer Great for preschool-1st grade music education. Great tool for home schoolers! 0 of 1 people found the following review helpful. Best program for kids! By pianogal The students all love this series - It is easy to understand, fun and interesting. Colorful and relevant. I use them all.
